3. OUR SERVICES

- 3.1 DFP Mortgages principal business is to provide mortgage advice services to our clients and to arrange mortgages for our clients through the financial institutions with which we hold agencies. A full list of lending agencies with which we deal is available on request.
- 3.2 DFP Mortgages will need to collect sufficient information from you before we can offer any advice on housing loans. This is due to the fact that a key issue in relation to mortgage advice is affordability. Such information should be produced promptly upon our request.
- 3.3 Through the lenders or other undertakings with which we hold an agency, DFP Mortgages can provide advice on and arrange mortgage products from the following range: fixed rate mortgages, variable rate mortgages, capital & interest mortgages, interest only mortgages and residential investment property.

4. FAIR ANALYSIS

- 4.1 DFP Mortgages offer advice on a fair analysis basis (providing services on the basis of a sufficiently large number of agencies held with lenders on the market to enable DFP Mortgages to make a recommendation, in accordance with professional criteria, regarding the mortgage which would be best suited to your needs and requirements).
- 4.2 The concept of fair analysis is derived from the Insurance Mediation Directive. It describes the extent of choice of products and providers offered by an intermediary with a particular category of life assurance, general insurance, mortgages, and/or specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client’s needs.

The number of providers that constitutes ‘sufficiently large’ will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could be reasonably expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of such search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair analysis of the market, we will consider the following criteria;

- > the needs of the customer,
- > the size of the customer order,
- > the number of providers in the market that deal with brokers,
- > the market share of each of those providers,
- > the number of relevant products available from each provider
- > the availability of information about the products
- > The quality of the product and service provided by the provider,
- > cost, and
- > any other relevant consideration

- 4.3 The firm does not have a 'tied' relationship with any institution which might impair our ability to provide advice on an impartial basis.

5. DUTY OF DISCLOSURE

Any failure to disclose material information may invalidate your claim and render your policy void.

6. FEES AND CHARGES

- 6.1 DFP Mortgages typically receives 1% of the mortgage amount sanctioned in commission for arranging mortgage finance. This commission is paid by the mortgage lender. The actual amount of the commission will be disclosed at a later stage in the ESIS (European Standardised Information Sheet) which will be forwarded to you. Details of the commission received by DFP Mortgages will also be outlined in our Statement of Suitability to you when arranging the finance. Information on the variation in levels of commission payable by the different creditors providing credit agreements being offered are available on request.
- 6.2 Please note that lenders may charge specific fees in certain circumstances and if this applies, these fees will be specified in your Loan Offer. You have the right to pay a fee separately and not include it in the loan. Typically, this situation arises in relation to specialist lending.
- 6.3 The customers interests at all times comes first and the level of commission earned by the firm via the various product providers will influence in any way the product recommended to the client.
